

Dundas' Leading Dental Clinic Now Accepting CDCP Patients

Royal East Dental in Dundas now welcomes patients under the Canada Dental Care Plan (CDCP), offering affordable, high-quality dental care for all.

DUNDAS, HAMILTON, CANADA, April 18, 2025 /EINPresswire.com/ -- Royal East Dental has always been at the forefront when it comes to improving oral health care by providing affordable access to the local community. As a commitment to compassionate and affordable dental care, Dundas dental clinic is now accepting [Canada Dental Care Plan \(CDCP\)](#) patients. This development has brought relief to people who are looking for genuine and low-cost dentistry in Dundas.

The cost of living has always been on the rise, and it obviously affects households across Canada. This is one of the reasons why there is a growing demand for a more accommodating dentistry in Dundas. The CDCP is a federal initiative that has been launched to support Canadians who find it difficult to meet dental expenses. Now it is possible for qualifying residents to access dental coverage in Dundas with minimal to zero out-of-pocket costs.

Dr. Inmesh Bajaj and Dr. Shelly Bajaj, the founder couple and one of the best dentists in Dundas, firmly believe that everyone deserves a healthy and beautiful smile, irrespective of their financial

condition. By accepting CDCP, they want to ensure all the members of the Dundas community can get their basic right to dental care.

What the Canada Dental Care Plan Means for Dundas Residents?

Not every Canadian can afford an insurance. The Canada Dental Care Plan aims to bridge the gap for those uninsured Canadians by offering affordable dental care. The most important services include oral examinations, X-rays, professional dental cleanings, and fillings. If the Individuals and their families meet the income requirements and don't currently have private dental insurance, they can now receive quality care by Royal East Dental.

This development is beneficial to seniors, children, and low-income adults who avoided dental visits or delay it fearing the expenses. One of the advantages of CDCP acceptance at this Dundas dental clinic is that qualified patients can now attend free dental checkups. A dental checkup is the first step to preventive care, which in turn, is essential for better oral and overall health outcomes.

A Trusted Name in Dentistry in Dundas

The patient-first approach has been one of the core principles of Royal East Dental. The modern and family-friendly environment of this clinic makes it the cornerstone of dentistry in Dundas. It offers a full range of services from preventive care to advanced restorative and cosmetic treatments. The clinic prides itself on clinical excellence, transparency, and affordability.

Dr. Inmesh Bajaj opines that with the help of CDCP, they can help even more people access the care they need without feeling stressed about their financial constraints.

New residents who wish to search for a "CDCP dentist near me" or a long-time local who has decided to prioritize his or her dental health can visit Royal East Dental without any hesitation.
