

# The First Endometriosis Surgeries Were Successfully Performed In Hospital Azar

*Hospital Azar celebrates the success of its first endometriosis surgeries, highlighting their commitment to supporting women facing this challenging condition*

TIJUANA, BAJA, MEXICO, April 18, 2025 /EINPresswire.com/ -- [Hospital Azar](#) is proud to announce the successful completion of its first series of surgeries dedicated to treating [endometriosis](#). This milestone marks a significant step forward in the hospital's commitment to providing comprehensive gynecological care and addressing the needs of women affected by this often debilitating condition.

Ron Elli Founder of Mexico Bariatric Center and Hospital Azar

A team of highly skilled surgeons, gynecologists, and support staff meticulously planned and executed four endometriosis procedures, utilizing advanced, minimally invasive surgical techniques to diagnose and treat various stages of the condition. The surgeries were performed with a focus on minimizing invasiveness, reducing recovery time, and improving patient outcomes.

“

This achievement underscores Hospital Azar's unwavering dedication to women's health”
