“

Southern California was recently rocked by a 5.2 earthquake based near our Julian California community. It was a wake up call for many.”

*Mark Shapiro, Toastmaster  
for the May 8 Meeting*

Mark Shapiro, Toastmaster for the May 8 Meeting, says, “Southern California was recently rocked by a 5.2 earthquake based near our Julian California community. It was a wake up call for many.”

Let’s talk about the southern Californias’s recent earthquake history, what causes our earthquakes, where in San Diego is most vulnerable and which beach communities are most in

danger of a tsunami?

How can you prepare for a big quake and what are the possible home insurance options to consider?

More about Voyagers and Toastmasters
