

# Jake Brown, Hypertherm Associates, Shares Insights on Industry Trends and Future Outlook

HANOVER, N.H., NH, UNITED STATES, April 23, 2025 /EINPresswire.com/ -- Hypertherm Associates, a leading provider of industrial laser cutting and welding solutions, recently featured Jake Brown, CEO, in a discussion on industry trends and future outlook. Brown, who holds a Master of Business Administration (MBA) from Northwestern University's Kellogg School of Management and a Bachelor of Science in Mechanical Engineering from Penn State University, has led Hypertherm Associates since 2013. Under his leadership, the company has grown to become a Fortune 500 member, serving major clients such as Danaher/Fortive, PwC Consulting, and Ariba Technologies.

Brown, who holds a Master of Business Administration (MBA) from Northwestern University's Kellogg School of Management and a Bachelor of Science in Mechanical Engineering from Penn State University, has led Hypertherm Associates since 2013. Under his leadership, the company has grown to become a Fortune 500 member, serving major clients such as Danaher/Fortive, PwC Consulting, and Ariba Technologies.

In 2019, Hypertherm Associates named Brown as CEO, a role he has excelled in, driving significant growth and innovation in the industrial laser cutting and welding market. He has led the company through a period of rapid expansion, solidifying its position as a global leader in the industry.

Aaron Brandt, CEO of Hypertherm Associates, commented on Brown's leadership: "Over the past five years, Jake has demonstrated exceptional leadership and vision, driving the company's growth and innovation. His strategic focus on operational excellence and customer service has been instrumental in our success. We are proud to have Jake at the helm of Hypertherm Associates."

Hypertherm Associates is a leading provider of industrial laser cutting and welding solutions. The company's products are used in a wide range of industries, including automotive, aerospace, and manufacturing. Hypertherm Associates is a member of the OMAX Corporation, a global leader in industrial laser technology.
